person who called the police stated that his 13-year old granddaughter (victim #1), and her 13-year old friend (victim #2), were given methamphetamine by his roommate, Michael Maiden. The person further reported that Maiden attempted to sexually assault them. During a forensic interview with both females, they disclosed Maiden persuaded them to ingest methamphetamine, exposed his penis to them and attempted to have victim #1 perform oral sex on him.

A Detective with the LVMPD Sexual Assault Juvenile Section conducted a forensic interview with both juveniles. The following information was gleaned from the forensic interviews.

Victim #1 reported the incident started on August 20, 2022, when she was in Maiden's bedroom and he offered her methamphetamine. Maiden pulled out a bag with white crystal methamphetamine inside. The victim reported that Maiden pressured her into using the methamphetamine and instructed her to sniff the methamphetamine through her nose, which she did. As the methamphetamine began to take effect, Maiden pulled out his cellular phone and showed her pornography from Porn Hub. Later, Maiden dropped his shorts and told the juvenile to perform oral sex on him. Maiden, while holding his penis, encouraged the juvenile to "suck it", but she refused. The victim reports that Maiden caressed and slapped her butt with his hand.

Later that morning (August 21, 2022), victim #2 sent a text to victim #1, seeing if she could come over to their residence. Upon victim #2 arriving, Maiden instructed her to come in through the window of his bedroom. Maiden touched her thigh and placed her on his bed. Maiden provided victim #2 with methamphetamine, which she reluctantly used. Victim #2 reported at some point Maiden showed both victims two bottles of lubricant and an adult sex toy. As time went on, Maiden attempted to remove her jeans and was able to undo her top bottom. She told him no and he returned to victim #1.

Victim #2 reported that Maiden exposed his penis to both. Victim #2 further reported that Maiden grabbed victim #1 by her shoulder and put his hand on her head, while he pushed her head towards his penis. Maiden yelled at victim #1 to give him "head" and to "suck the dick". Victim #2 pulled victim #1 back wherein victim #1 called Maiden a child predator and he asked them to leave his room. Victim #1 subsequently called her mother to report the incident.

Maiden denied the allegation and informed the investigating detective, that the victims were in his room, they had the methamphetamine and were engaging in sexual contact with each other. The detective noted that Maiden appeared to be under the influence of

**UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEVADA
UNITED STATES V. MICHAEL MAIDEN, 2:11CR00046**

**SUMMARY IN SUPPORT OF PETITION FOR WARRANT
August 23, 2022**

By way of case history, on July 28, 2022, a petition for summons (ECF No. 69) was filed alleging Maiden violated his release conditions by using methamphetamine on multiple occasions.

On August 11, 2022, Maiden appeared before the Honorable Magistrate Judge Daniel J. Albregts for his initial appearance. Maiden was permitted to remain at liberty under existing conditions of supervised release. Maiden's revocation hearing is scheduled for September 6, 2022.

Since then, as noted in this petition, Maiden is alleged to have committed a new crime. On the late night of August 20, 2022, and into the early morning hours of August 21, 2022, the victim, a 13-year-old granddaughter of Maiden's roommate, was in his bedroom. Maiden provided methamphetamine to her and had her sniff it. Maiden then showed her pornography on his phone, exposed himself to her, and told her to perform oral sex on him. The victim refused. The victim reports that Maiden caressed and slapped her butt with his hand.

Later that morning, the victims' friend, another 13-year-old, texted her to see if she could come over to their residence. Upon arriving, Maiden instructed the second victim to come in through the window of his bedroom. He touched her thigh and placed her on his bed. Maiden again provided methamphetamine to the victims. Maiden then attempted to remove both of their clothing. Maiden again exposed himself and told the first victim to have sex or perform oral sex with him, going so far as to putting his hands on her and pulling her towards him. The victim refused and pulled away. When they did not do as Maiden requested, Maiden got mad and told them to get out of his room.

The victims reported this to their mother and grandfather, Maiden's roommate. Maiden was told to leave the residence and the grandfather eventually contacted the Las Vegas Metropolitan Police Department (LVMPD).

On the afternoon of August 21, 2022, Maiden was located by LVMPD, taken into custody, and booked into the Clark County Detention Center. Maiden is awaiting court hearings for the above-mentioned charges. (Las Vegas Justice Court Case 22-CR-036884).

Maiden denied the allegation and informed the investigating detectives, that the victims were in his room, they had the methamphetamine and were engaging in sexual contact with each other.

Maiden has an extensive criminal history resulting in a criminal history category of VI. Maiden has a history of violent, theft, weapon, and drug related crimes. Maiden is a danger to the

community as he recently tested positive for methamphetamine and has allegedly committed an egregious new law violation involving minors. It is respectfully recommended a warrant be issued so that revocation proceeding may be initiated. It is further recommended Maiden remain in custody pending revocation proceedings, as he is a danger to the community.

Respectfully submitted,
